

Dear Sir or Madam,

In order to make the holiday season that much more special for your business partners, team building groups, friends, colleagues and family, we are pleased to present our gift vouchers, either for boat rental (HIGANASBOATS) or big game fishing (HIGANASFISHING). Our gift vouchers incur no immediate financial obligations and are payable only when a voucher is used. Additionally, you have the option to authorize each use of the voucher before it is honoured by our company.

HiganasBoats voucher

This voucher entitles the bearer to charter one of our vessels for 1, 3 or 7 days. Charters are possible on a bare-boat basis if the bearer meets the minimum legal requirements to skipper one of our vessels, otherwise a professional skipper may be hired.

The maximum occupancy on our vessels is 5 persons for a day-charter or 3 persons for overnight charters.

HiganasFishing voucher

The HiganasFishing voucher is a ticket to an exciting big game fishing adventure, including the possibility to catch a prized Bluefin tuna. The voucher includes the rent of a fishing vessel with skipper & fuel, all tackle & bait as well as refreshments on board.

When on fishing expeditions, our vessels can accommodate a maximum of 2 guests.
